This is to certify that **Mr. Venkatraman Subramaniam and Smt. Uma Venkatraman** have given a seminar on “**Opportunities in Higher Education and Employability in Canada**” on 22.01.2009. They have motivated our students by explaining the various opportunities in Canada. Our students have gained a lot of information by attending this workshop.

On behalf of our college management, faculty and students, I express my thanks to the above speakers and all the IEG officials for arranging such a useful program in our college. We look forward for these kind of programs from IEG in future also.
